**Re: Neor, et ano. v. Acacia Network, Inc., et. al.
No. 22-cv-04814 (ER)**

Dear Judge Ramos:

We represent Defendants in the above-referenced matter. I write to request a short, two-week extension of time to submit our Opposition to Plaintiff's Motion for Class Certification (Dkt. Nos. 235 et seq.) ("Motion") which is currently due to be filed on July 11, 2025. My partner, Simi Bhutani, was heavily involved in depositions and discovery in this matter and drafting the Opposition to the Motion. However, after returning from an international trip last week, she has been sick due to contracting Covid-19. In light of these unexpected circumstances, I respectfully request a two-week extension to submit our Opposition to the Motion as she recovers. This is Defendants' first request for an extension.

We contacted Plaintiff's counsel this week to advise of the circumstances and seek consent to such extension; however, counsel did not provide his consent.

We thank the Court for its time and attention to this matter.

Respectfully,

/s/ Peter T. Shapiro
